ST. JOHN'S UNITED METHODIST CHURCH

Children's Choirs

2019-2020

PARENT INFORMATION

The music ministry of St. John's offers a graded choir program for young musicians ages 3 years old through fifth grade. The three age-appropriate ensembles instill and build upon basic musical and spiritual principles in hopes of creating lifelong musicians for the church. The rehearsals for all ensembles incorporate some type of instruction on music theory, worship participation, hymn education, and vocal training. They also make use of various types of instruments during rehearsals and performances.
